

§ 7B-3808. Action for Interstate Compact administrator to forward a request.

The Interstate Compact on the Placement of Children office at the Department of Health and Human Services has the authority to request supporting or additional information necessary to carry out the purpose and policy of the compact and to require assurance that the placement meets all applicable North Carolina placement statutes. Any sending agency that intends to place a child into and out of North Carolina shall submit a complete request to the Interstate Compact on the Placement of Children office at the Department of Health and Human Services. To be considered a complete request, the submission must comply with the Interstate Compact on the Placement of Children regulations and include any supporting additional information that the Department of Health and Human Services or the receiving state deems necessary. Unless otherwise provided by the Interstate Compact on the Placement of Children regulations, when the Department of Health and Human Services receives an incomplete request, the Department of Health and Human Services shall provide either the sending agency in North Carolina or the receiving state with written notice of the specific information needed to process the request and shall allow the sending agency 10 business days from the date of the notice to submit the requested information. If after the expiration of the 10 business days the Interstate Compact on the Placement of Children office at the Department of Health and Human Services does not receive the requested information or the sending agency does not withdraw its request, the request shall be deemed expired.
